

2005
using **AJAX**
Asynchronous
JavaScript
& XML

2006
jQuery
AJAX
AJAX Objects
Ajax & fetch

using **AJAX on fetch** → React, Vue, Angular 3
→ Already part of Browser
→ No installation req.
→ CDN / Installation
→ Third party
library

→ Public APIs
→ Paid APIs
→ Protected APIs (API key)

JS
Asynchronous
Applications

→ callback
→ Promise
→ Async / Await
→ Timing
Graphs
→ fetch & axios
→ APIs
→ many for
asynchronous

Representations
→ API → HTTP methods
→ Status → description
→ response
→ meta data (information
about data)
